# Testare la pagina su altri Browser

Alcuni siti internet permettono di vedere come la propria pagina è visualizzata in diversi browser e sistemi operativi.

The screenshot shows the Browser Shots website. At the top, there's a navigation bar with links: Home, Showcase, Queue, Factories, Recent, and Free Icons. Below this is a row of advertisements for services like 'DESIGN TO XHTML', 'CSS & XHTML for your design', 'Links From PR9 Sites', '45 PR5+ Backlinks NOW ONLY \$295.00', 'themeforest', 'xhtmlchop', and 'Advertise Here'. The main section is titled 'Browser Compatibility Test' and features a 'Web Design Gallery' and an 'Icon Search Engine'. A large input field labeled 'Enter URL Here:' is followed by a 'Submit' button. Below the input field, there are four columns representing different operating systems: Linux, Windows, Mac, and BSD. Each column lists various browsers and their versions, with checkboxes next to them. For example, under Linux, there are checkboxes for Chrome 10.0, 5.0, 6.0, 9.0, Dillo 0.8, 2.2, ELinks 0.12, 0.13, Epiphany 2.22, 2.30, 531.2, Firefox 1.0, Kazehakase 0.5, Konqueror 3.5, 4.2, 4.4, 4.6, Lynx 2.8, Minefield 3.6, 3.7, Mozilla 1.7, MSIE 8.0, and Navigator 9.0. Under Windows, there are checkboxes for Avant 11.7, Chrome 8.0, 9.0, Firefox 3.0, 3.5, 3.6, Flock 2.5, 2.6, K-Meleon 1.5, Minefield 3.7, MSIE 6.0, 7.0, 8.0, Netscape 8.1, and Opera 8.54. Under Mac, there are checkboxes for Opera 9.63, 9.80, Safari 4.0, 5.0, SeaMonkey 1.1, 2.0, and Shiretoko 3.5. Under BSD, there are checkboxes for Dillo 2.0, Epiphany 2.22, Firefox 3.0, Kazehakase 0.5, Konqueror 3.5, Opera 9.64, and SeaMonkey 1.1. A 'Contribute' button is located between the Mac and BSD columns. At the bottom right, there's another advertisement for 'CSS & XHTML for your design' and a 'CrossBrowserTesting' logo.

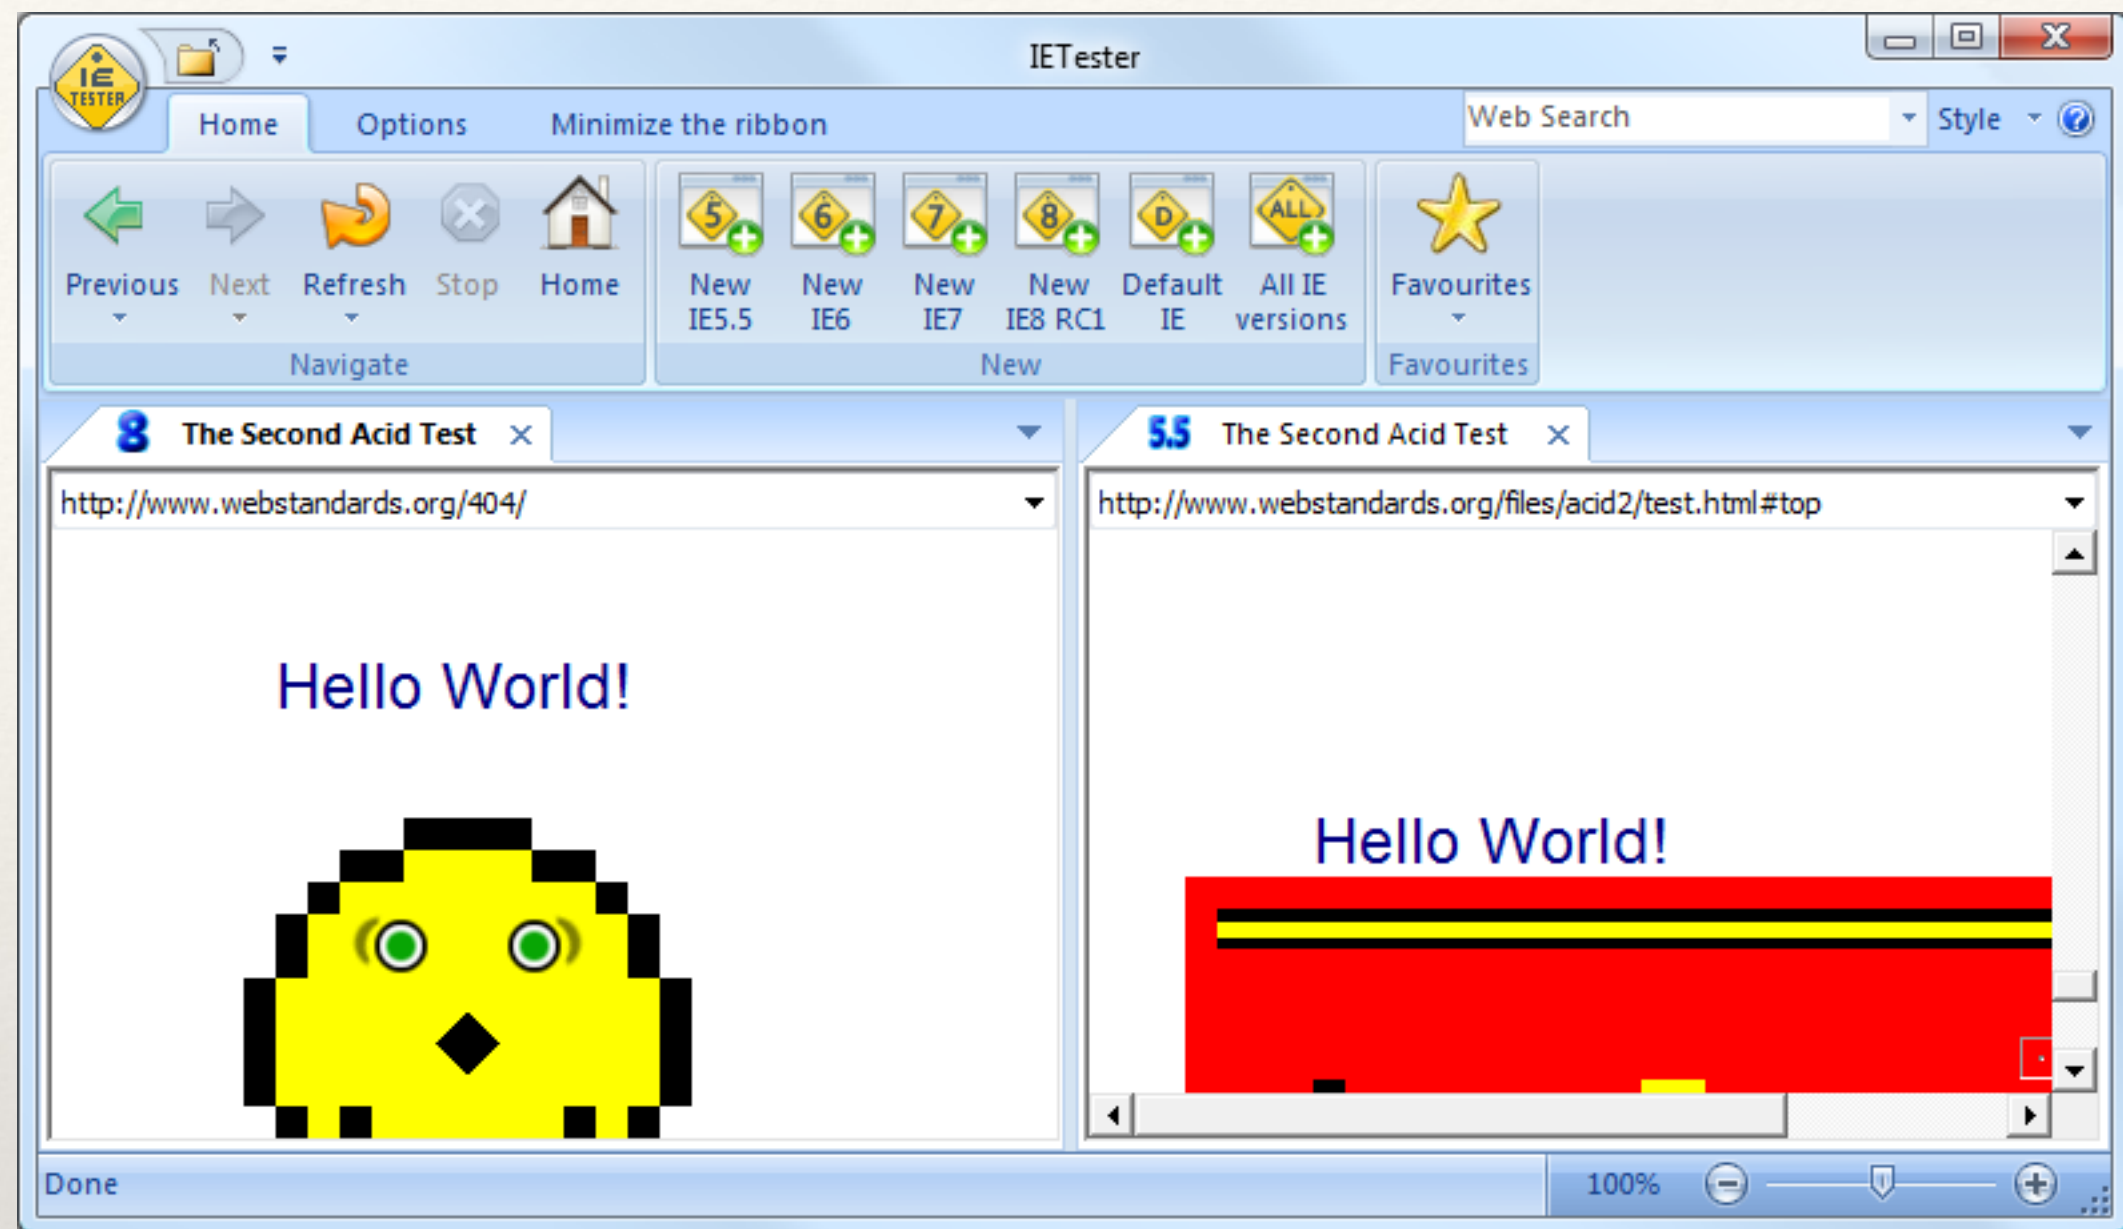

E' possibile utilizzarlo gratuitamente ma pagando è possibile saltare la coda d'attesa

La versione free è disponibile solo per 3 minuti

Programma per Windows che permette di aprire una pagina web con tutte le versioni di Internet Explorer (IE10, IE9, IE8, IE7 IE 6 e IE5.5)

Fine.
